EDITOR'S NOTE

After a two-year hiatus, golf at SCC came back with a bang! SCC held the long-awaited inaugural Sembawang Charity Golf 2022 on 16 & 17 July 2022. It was a fun-filled and memorable event, and more importantly, benefited the event's chosen charity beneficiaries, Lakeside Family Services and SAF Care Fund. Thank you for all your contributions.

Not to be outdone, Team SCC a.k.a. Team MINDEF emerged champions again in the Public

Service Golf Championship in August 2022. Our ladies participated in the Singapore Ladies Golf Association (SLGA) Cup, emerging 8th out of the 11 teams. Golf may not be their strength, but their style and designs certainly shine. The SCC ladies won the Best-Dressed title for the sixth year running.

Message by General Manager *Mr Christopher Chew*

Dear SCC Members,

It has been a wonderful year for the Club as we navigated the post-COVID landscape and seized different opportunities available to reinvent ourselves. We are glad to have made significant improvements to our golf course & clubhouse facilities, and we certainly welcomed the resumption of activities & events for all.

Let me take you through some of our key improvements of the year. For the full list of improvements, do look out for my speech at the upcoming Annual General Meeting (AGM).

IMPROVEMENTS TO CLUBHOUSE FACILITIES

SCC has installed new equipment for the Gym, including new barbells, ellipticals and treadmills, perfect for members who want to fit some exercise into their workday.

Our Mahjong Rooms have also undergone renovation and our mahjong enthusiasts are big fans of the brand-new

table, tiles and chips.

New golf bag lockers were installed for our members. If you would like to rent a locker but have *not* done so, feel free to get in touch with our Membership Department.

FOOD & BEVERAGE

Food & beverage form the bedrock of any country club in Singapore and we are glad that our new F&B vendor, Red Lantern Dining Group, has upped the overall dining experience for members. We appreciate your patience during the transition period between Oceanspoon and Red Lantern. Thank you so much for the support and understanding.

Over the past couple of years, the pandemic has tested our mettle as a Club. Our Staff has worked very hard adjusting to new norms, rolling with the punches and adapting to twists and turns. I am glad that we are able to hold our AGM physically at the Banquet Hall this year.

Those of you who have registered for AGM, see you there!

INAUGURAL SEMBAWANG CHARITY GOLF 2022

The two-day inaugural event Sembawang Charity Golf 2022 was successfully held on 16 & 17 July 2022.

Besides enjoying the fine weather and our amazing golf course, participants tucked into yummy snacks such as sliders, mini burgers, carrot cake and popsicles at the different halfway houses, enjoyed beer, wine and whiskey, and played fun games (involving water guns) with their kakis.

A total of nearly \$130,000 was raised for the event's chosen charity beneficiaries Lakeside Family Services and the SAF Care Fund.

On Day 1 of the Sembawang Charity Golf 2022, **Club President Chief Of Defence Force LG Melvyn Ong Su Kiat was the Guest of Honour.** Not only did he present the cheques to the representatives of our charity beneficiaries, Club President also officiated the opening of Northern Lights (the club's Members Lounge).

Two of our Sembawang Country Club members, **Mr Chris Chia and Mr Danny Tiong**, gamely stepped up to be roving photographers for our inaugural Sembawang Charity Golf 2022. They shot incredible and stunning photos that captured candid & spontaneous moments, honest emotions, authentic expressions, as well as the pulsating action of our golfers.

Sembawang Charity Golf 2022 marked the launch of our eye-catching, majestic military design tee markers on the SCC golf course. "Army Tank", "Helicopter", "Fighter Jet", "Navy Frigate", "Submarine" and "Soldier" were used as tee markers, specially created for the charity golf event. These tee markers were definitely befitting of SCC's reputation as "The Commando Course".

PUBLIC SERVICE GOLF CHAMPIONSHIP 2022

TEAM SCC (A.K.A. TEAM MINDEF) STRIKES AGAIN

At the Public Service Golf Championship held at Orchid Country Club in Aug 2022, Team MINDEF, made up entirely of Sembawang Country Club members, emerged victorious once again. The Public Service Golf Championship is an annual local tournament that provides a good platform for golfing representatives from various ministries and agencies to compete & socialise.

“Team MINDEF had been the Champion of this tournament for four consecutive years before the pandemic hit us,” said team captain Yong Shao Chang. “While it was unfortunate that we could not defend our title for the past couple of years due to COVID restrictions, we are happy that we did it again this year by clinching the Top 2 positions out of 26 participating teams.”

Shao Chang added, “It was a great experience and journey for us. Many of us SCC members had previously represented the Club at the SGA Inter-Club League. We take pride in representing our organisation and did our best to ensure mission success.

“We had the strategic depth and the best & most consistent golfers whom we could find. Fun Fact for all: At the tournament, under the system 36 format, we shot a total of 1 eagle and 17 birdies!”

PUBLIC SERVICE GOLF CHAMPIONSHIP 2022

THE 12 SCC MEMBERS THAT REPRESENTED TEAM MINDEF ARE: YONG SHAO CHANG (CAPTAIN AND PLAYER), FRANKIE CHONG, JULIAN LOW, PAUL LYE, JASON GOH, KYLE ANG, EMILY LEE, CHENG LI SENG, DENNIS LIM HUNG WUI, ROBERT QUEK, REX CHAN TZE-YANG AND SEAH CHEE KENG.

Note: Julian Low, Rex Chan and Kyle Ang are not in the pictures.

SCC TEAM AT SLGA CUP 2022

The Singapore Ladies Golf Association (SLGA) was finally able to bring back its annual SLGA Cup on 30 June 2022 after a two-year hiatus, bringing together 110 lady golfers from all 11 clubs in Singapore. Held at the Laguna National Golf Resort Club this year, the event has been known for fostering social cohesion and building friendships through friendly competition & interaction.

10 ladies from Sembawang Country Club participated in the event. Well-coordinated in their smart black-and-white themed attire, the ladies put up a good fight and displayed good sportsmanship throughout, emerging 8th out of the 11 teams. Individually, most of our ladies did well, scoring above 30 points in the Stableford score. A special mention goes out to Ms Helen Tan, who at age 76, scored a whopping 40 points, proving that age is just a number. Well done, ladies!

On and off the course, our SCC ladies showed that they can play hard and party even harder. Looking stunningly glamorous in their flapper-inspired dresses, accessorised with feathered head bands, long necklaces and complete with long black gloves, the ladies went on stage and performed their dance moves with much aplomb. Their enthusiasm and spontaneity wowed the judges so much that they eventually clinched the Best-Dressed Title for the sixth year running. The ladies were also proud to have SCC Club Captain "Retro" turning up to lend his support and sportingly joining in the games.

AMAZING CHANGE AT GOLFERS TERRACE

Publications Committee's Lynn Ng dined at Red Lantern @ SCC recently and gave it a glowing review...

“Sembawang Country Club’s newest kid on the block, Red Lantern Live Seafood Restaurant @ Golfers Terrace, has been receiving praise from both members and guests. From the freshness of the food to the variety and taste; it has been an amazing change so far! The nightly live music adds

to the ambience at the al fresco Viewing Deck, no wonder it has been well-patronised almost every day. Red Lantern comes up with promotional dishes every month and September 2022's promo dishes, Claypot Drunken Prawns and Steamed White Pomfret, were yummy.

The succulence and sweetness of the seafood was simply ‘sedap’ - you should try it before the promotion ends. Other

popular dishes are their signature fried beehoon, mee goreng and seafood hor fun. The wok hey from the hor fun makes it simply delicious!”

UPGRADE OF GOLF COURSE IRRIGATION SYSTEM

NOTICE

Upgrade of Golf Course Irrigation System

Upgrading works for our **Golf Course Irrigation System** have commenced **from Thursday, 8 Sep 2022**. The upgrading works are scheduled to be completed in mid-Dec 2022.

Play will **not** be disrupted, but you may see more maintenance crew working on the golf course during your golf games.

Thank you for your kind understanding.

SEMBAWANG COUNTRY CLUB MINI SHOTGUN START

NOTICE

Mini Shotgun Start

To maximise available flights during Events that adopt Shotgun starts on afternoons, the Club will be implementing mini shotgun starts in the morning for our golfers. This will allow an additional 8 flights on the course when these Events are held.

The flights will be allocated to the first 8 groups on the waiting list. The golfing staff will email you the details. Thank you.

Example: Whenever a shotgun start game begins at 13.15hrs, the Club will allow timesheet bookings from 07.00hrs to 08.04hrs, 8 additional flights will be allocated at holes 6/7/8/9 and 15/16/17/18 teeing off at 08.04.

OTTERS ON THE SCC GOLF COURSE

Sembawang Country Club's golf course is home to a wide range of biodiversity such as macaques, otters, birds and monitor lizards. There are times when we are unsure of how to react when we come across these creatures, but one important point for us to remember is this - **many wild animals would much rather *not* encounter human beings, and they would *only* attack when provoked.**

Dos & Don'ts When You Encounter Otters on the Golf Course

Adapted from National Parks Board (NParks)

1. DO NOT touch, chase or corner the otters. Observe them from a distance. Going too close to the otters may frighten them.
2. DO NOT talk loudly and do not use flash photography. Noise and light may scare and provoke the otters.
3. DO NOT feed the otters. The otters have their own food in the environment and their natural eating habits keep the ecosystem healthy.
4. DO NOT litter or leave sharp objects in our ponds or water features. Clean and safe waterways filled with fish and aquatic life make good habitats for the otters to frolic and feed in.

GOLF COURSE AERATION

Turf aeration is an important and essential part of the golf course maintenance process at Sembawang Country Club.

Aeration achieves three important objectives:

- Relieving soil compaction
- Providing a method to improve the soil mixture around the highest part of a green's roots
- Reducing or preventing the accumulation of excess thatch (layer of old plant

material that accumulates at the surface of the soil).

Essentially, aeration is a mechanical process that creates more air space in the soil and promotes deeper rooting, thus helping the grass plants on our turf stay healthy.

Our workers put in immense effort to produce and maintain attractive course conditions and good playability on a daily basis. Kudos to their efforts!

How The Saw Grip Addresses Common Putting Problems

By Madeline MacClurg

When the putter face starts to open and close, Golf Digest's Chief Digital Instructor Michael Breed says that's when you're going to encounter some real problems on the green.

To increase your consistency and control on the green, Breed suggests experimenting with new grips, like his signature saw grip.

The saw grip can help minimize face rotation because it encourages a straight back and straight through putting stroke. To copy Breed's hand placement, set your trail hand on top with your thumb hooked behind the grip. You can also tuck your pinky behind if you don't like it hanging out to the side.

"What I really want you to focus on is the back of the palm," Breed says, "I want the back of the palm parallel to the sightline of the putter, and your elbow is going to be almost out, kind of creating a push." As you practice pushing through with your trail elbow, you should also feel your trail shoulder getting active.

Getting Your Swing Back And Building Something Reliable

By Erika Larkin

If your driver shots are curving uncontrollably or you're making poor contact with your irons, do you try to put a band-aid on it mid-round and hope the problem goes away, or do you get to the practice tee some time after the round and address the root of the problem?

It's understandable to want a quick fix to your ball-striking issues to simply enjoy the day, but the compensations you choose often make things worse in the long run. Instead, start making some quality changes that take care of your issues over a whole season, not just the back nine.

Slice Fix

To make good contact and correct the slice, what you should do is tee it higher—half the ball above the driver. This encourages an in-to-out swing path and allows you to hit up on the ball—two key ingredients to driving it straighter, or even drawing it.

Drive Down And Through For Better Contact

To help your contact, practice hitting shots with the ball off your lead heel at address.

You'll soon realize you have to shift your weight forward and drive down and through to hit crisp irons.

Stay Wide And Connected

Squaring the clubface at impact is important, but it needs to be the result of a swing with good body rotation and no collapse of the lead arm. To get a feel for it, tuck a glove under the lead armpit and make a few swings without dropping it. You should feel like your arms are more connected to your body and moving in sync with its rotation.

SCC X DECATHLON NATIONAL DAY GOLF

SCC X Decathlon National Day Golf, held on 6 August 2022, saw many Sembawang Country Club members – including Chairman Timothy Yap and Captain Melvyn Tan -- decked out in red and white. Some of our female golfers even had the beautiful orchid motif on their attire.

National Day Golf was an exciting collaboration between SCC and sporting retail giant Decathlon. Not only did our participants enjoy goodie bags and prizes from Decathlon, they also had a ball of a time partaking in engaging challenges at Hole 1 and Hole 10!

The format of National Day Golf was 4 Ball Texas Scramble (a team competition where 4 players tee off and only one drive is chosen to be used for the next shot; all members of the team place their balls where the chosen drive ended up, and all the team members play a second shot from this spot). That, in itself, was very enticing to golfers.

PRATA FIESTA @ VIEWING DECK

Think delicious chicken and fish curry, mutton masala, fried cabbage, pappadum & free-flow teh tarik – that was the amazing spread of food by Casuarina Curry our members & guests tucked into at Sembawang Country Club's Prata Fiesta @ Dining On The Deck on 12 August 2022.

Of course, the highlight of the night was none other than the Live Prata Station. Crispy on the outside and soft on the inside ... Prata is simply yummy! Who can resist a satisfying egg prata or two? Kids who couldn't handle the spice loved it as well, as they indulged in chocolate prata!

The night was a relaxing and laidback one, with beers going at \$3.50 per glass. Acoustic live music duo JQ X ZUL entertained the crowd with covers of classic hits by Eagles, Beyond, Oasis, Teresa Teng and Deep Purple.

SCC'S OKTOBERFEST RETURNS WITH A BANG

Oktoberfest celebrations returned to Sembawang Country Club after a two-year hiatus – and boy, were our SCC members happy to indulge in the party-like vibes with Erdinger beer and yummy German food! Prost!

A total of 103 revellers thronged our Viewing Deck last Friday night (30 September 2022), savouring the delectable, appetizing dinner platter of pork knuckles, roast chicken, sausages, sauerkraut and potatoes. Live music played throughout the night and our members sang along to English classics, 80s pop hits, as well as golden Cantonese & Hokkien favourites.

"SCC's OktoberFest was immensely enjoyable and fantastic value for money. My wife, family members and guests will remember this event fondly for it was an unexpectedly opportune time for them to catch up with many former colleagues in a truly fun setting," said Publications Committee's Joe Mao, who attended the event with a huge entourage.

"Kudos to all SCC staff involved in the organizing of this event. Also props to Red Lantern for the food, beer and service."

Another Publications Committee member, Francis Foo, also gave the event his thumbs up. "A wonderful evening spent with my kakis at this long-awaited Oktoberfest @ SCC! Kudos to Team SCC and the new caterer Red Lantern for organizing it."

KEVIN HO | 7 August 2022

I can't help but to single out Facilities Supervisor John for a quick mention. He is always seen around the Clubhouse quietly doing various tasks. A loyal, efficient, hardworking and honest handyman. Always cheerful and respectful. He never fails to give me a "HEY!" whenever we meet. I can never forget the 80s, when I was a rookie golfer and he a caddie. He had the occasion one day, at the Par 5 (bell hole), to offer me a friendly piece of advice not to play multiple balls on the fairway.

LEE SUAT FOONG | 14 August 2022

I just wanted to take a minute to let you know you have a very friendly and helpful concierge staff. Her name is Jeslina. I noticed that whenever she sees someone sitting around the lobby area, she will approach them and ask if they need help. For the past few weeks, Jeslina noticed that I got "stranded" at SCC because there was no response from my taxi booking app. Jeslina was very kind and offered to use her mobile phone to try booking from other apps. I would like to express my heartfelt appreciation to her.

PETER LAU | 10 September 2022

I would like to compliment Ramasamy for what he did this morning during monthly medal. My tee time was 0900hrs. After dropping my golf bag , I drove to park my car. To my surprise, my belt broke and hence, I had no belt to put on. When I walked to the golf drop point, two marshals were there. Casually I asked them if anyone has a spare belt? Immediately, Ramasamy removed his own belt and passed it to me and said "Sir just use mine, after the game you can return it to me." I was surprised with his offer but was very touched. I am delighted that our staff is so forthcoming to offer help. Keep it up. Cheers!
