EDITOR'S NOTE

BY PUBLICATIONS CONVENOR ERIC GOH

SCC acknowledges that there has been a decline of the Golf Course Standards in the fairways and greens, and are paying close attention to their improvements. The maintenance teams have spared no efforts to keep the fairways and greens in good shape. Nonetheless, it is a demanding challenge for the maintenance staff. With this in mind, the new Course Superintendent, Paramjit Singh, ramped up the frequency of fertilising the turf and quipped, "The journey ahead remains tough, but we press on!"

New golf buggies were also rolled out in July 2023 to replace the entire fleet of old buggies. Besides this, a new Practice Putting Green beside the banquet hall has been constructed for use by all members and their guests. Also, the washing bay by the Golfer's Terrace has been upgraded.

SCC continues to strive on in making the country club a place where members would be proud to bring their guests to.

GM'S MESSAGE

BY CHRISTOPHER CHEW

As we come together to celebrate Singapore Armed Forces (SAF) Day on 1st July 2023, it is with immense gratitude that we honour the brave men and women who have dedicated their lives to the defence of our nation. This special day holds tremendous significance, for both our Country and our Country Club, as many of our members are currently serving or retired military servicemen and women.

On SAF Day, we pause to recognise the unwavering commitment, sacrifices, and selfless dedication of our military personnel. Their courage and resilience serve as an inspiration to us all, reminding us of the importance of safeguarding our homeland.

I would like to address an important matter that has our immediate attention. Our beloved golf course, while being a cornerstone of our Club, has unfortunately experienced a decline in standards recently. Our Team has been closely monitoring the situation, and we understand that certain aspects of the course have not been up to the standards that you, our valued members, rightfully deserve.

Several factors have contributed to the less than ideal conditions of our golf course.

Unpredictable weather patterns have made it challenging for our maintenance team to keep the greens in perfect shape. Furthermore, a temporary shortage of skilled manpower has hindered our efforts in providing the necessary maintenance at scale.

Adding to our woes, invasive wildlife has added more complexity to the already demanding challenge of maintaining the course's pristine state. However, let me assure you that these issues should never be excuses for the condition of our golf course. We have taken decisive action by giving our Maintenance Contractor one month to significantly improve the course conditions.

On a brighter note, I am thrilled to announce our latest addition to the Club – brand new golf buggies! These buggies come equipped with cutting-edge features aimed at improving your golfing experience. From the GPS systems to a more comfortable ride, these buggies will undoubtedly make your rounds on our course more seamless.

Your support and loyalty mean the world to us, and we are committed to making the Country Club your ideal destination for relaxation, recreation, and unforgettable experiences. Thank you for being a cherished member of our Country Club family. Here's to an exciting quarter ahead!

EVENTS CALENDAR

JULY TO SEPTEMBER 2023

GOLF

Event Name	Details	Time	Ticket Prices*
National Day Golf & Gotong Royong	A fun-filled and team-spirit golf game with the 4 ball-best ball format, accompanied with a buffet dinner and games in the evening to celebrate National Day	5 August 2023 From 1:00 PM	Continuing Members: \$50+ Restricted Members: \$80+

QUARTERLY CLUB UPDATES

BREATHING NEW LIFE INTO OUR SPACES

Practice Putting Green

The Club is always on the lookout on how we can make use of underutilized spaces within the club. In this issue, we take you through the new additions to our facility!

From July, both junior and adult golfers can look forward to the Putting Practice Green beside the banquet hall. This new addition aims to help golfers learn more about slopes so that they can perform better on the course.

Upgraded Washing Bay

We've revamped our washing bay by the Golfer's Terrace. With the new upgrade, the washing bay comes with air and water pumps, giving different options for cleaning.

Golfers can now look forward to stopping by between or after games to do a quick clean up.

QUARTERLY CLUB UPDATES

B R E A T H I N G N E W L I F E I N T O O U R S P A C E S

Our Common Work Space

We have placed a work desk next to Northern Lights. This new table comes with power sockets installed, together with a mini USB adaptor. Visitors can look forward to stopping by if they need to have a quick sit down or charge their personal devices here.

Temporary Swimming Pool @ SAFRA Yishun

With our renovation plans for the swimming pool set in motion, we still understand that the importance of the pool as a cherished amenity. As part of our commitment to your satisfaction, we have worked out a collaboration with SAFRA Yishun to allow members to use the pool facilities during the renovation period.

LEISURE FRONTIER

Our Going Green Efforts

In line with GreenGov.SG's goal to reduce carbon emissions, the Club has partnered up with Leisure Frontier's eco-friendly chartered bus solutions to ferry staff from 12 June 2023 onwards.

The use of EVs aims to reduce carbon emissions and become more energy efficient. In doing so, we will be able to progress towards our goal of attaining the BCA Green Mark GoldPlus standard.

Quick-Release Buckles for Ease of Use

Improved Batteries to Ensure Undisrupted Play

Repositioning of Charging Ports

Headlights for Enhanced Safety

Steel Cage with Clip-on Lock

NEW BUGGY FLEET

We have heard your feedback about our buggies, and we are just as eager to welcome our new fleet of buggies this quarter. This much-needed upgrade to our golfing experience seeks to provide a more seamless pace of play and optimise your time on the course.

IMPRESSIVE NEW BUGGY FLEET

It was a wonderful morning when we were pleasantly surprised with the 104 new golf buggies in SCC.

Kwek Kee, Kok Siong, Adam and Eric had a great experience, each expressing positive sentiments about the new acquisitions.

Adam commented, "I love the smell of new leather!" Kok Siong thought it was time to change to the new buggies as the old fleet was starting to give problems. On balance, Kwek Kee summarised it well, "Golf is about feeling good, and with this new fleet of buggies, our game would surely improve."

True to those words, Kwek Kee scored a birdie on the 8th hole. The flight played a delightful golf game that beautiful and bright morning, with beaming smiles after the game. We look forward to more positive experiences.

BY PUBLICATIONS CONVENOR ERIC GOH

COMMEMORATING SAF DAY

To commemorate the official launch of our new buggies and SAF Day on 1 July 2023, a few of our Management Committee Members played a round of golf to test out our new batch of buggies, with specially designed camouflage patterns representing each of our SAF services.

From left to right, we have SLTC Vincent Liew (House Member), COL Melvyn Tan (Club Captain), SLTC Jason Yee (Club Vice Captain), and ME5 Emily Lee (Club Lady Captain).

We're glad to see them enjoying themselves as they took the new buggies out for a spin!

LADIES COHESION

BY PUBLICATIONS COMMITTEE
MEMBER LYNN NG

The much awaited Ladies Cohesion event took place on Saturday, 24 Jun 23. A total of 9 flights, including 6 junior girls, had an enjoyable day with lots of thrilling fun and laughter. The excitement could be felt right at the lobby where the ladies were greeted with colorful hand-made door gifts, lovingly put together by Ms Emily Lee, our Lady Captain and Ms Dhelia, our charming lady golfer.

Donning bright and vibrant outfits, the ladies proceeded to the "modified greensome" game where 2 players from the same buggy played alternate shots till the ball was holed out. This format encouraged teamwork, camaraderie and bonding in a friendly environment. Their atmosphere was rife with interaction and chatter as the ladies strategized their strokes. Many were seen posing for pictures too.

After the game, the ladies were treated to a sumptuous dinner, where they were greeted with another unique experience of a modified night golf. Dressed in neon outfits and accessorized with light sticks on them, they proceeded to Hole 18 for chipping and putting with special golf balls, which illuminated upon hitting. It was a pretty sight with all the colorful lights emitting from the balls, lightstick bands and apparels amidst the darkness.

The event ended with a toast and prize presentation by the Lady Captain. Everyone was a winner in their own ways. All the ladies went home with hands full of gifts, food in their bellies, and fond memories of a night of golf that will last a long time to come.

It was indeed another successful event put together by Lady Captain Emily Lee, Lady Vice Captain Evelyn Lim, and Lady Committee Member Sakura, with the special contribution from Ms Dhelia, and staff from the Golfing Department, Rez, Zielah, Sumi and Prema. Kudos to the ladies for a job well done and also many thanks to all the lady members who had participated!

Green 15 - 4 Weeks Apart After Treatment

Fairway 13 - 3 Weeks Apart After Treatment

GREENS TALK

SCC values our member's feedback regarding the condition of our beloved course. The Club genuinely appreciates our member's patience and loyalty during this period as we take corrective action to rectify the situation and provide members with an exceptional golfing experience.

In this edition, we dive deeper into the maintenance works that our new Course Superintendent (CS), Paramjit Singh, has carried out since his addition to the SCC family. Paramjit brings with him a wealth of knowledge and experience, along with a genuine passion for cultivating impeccable golf course turfs that provide optimum playing conditions.

Getting To The Root Cause

During the past several weeks, our CS carried out a thorough check on the course as well as our maintenance contractor's practices.

His primary focus - to restore the turfs back up to standard through weed removal and an improved nutrition program.

Under his supervision, the maintenance crew stepped up in their frequency of fertilising the turf.

"The journey ahead remains tough, but we press on!"
- Paramjit Singh, Course Superintendent.

White Tee Box 11 - 1 Week Apart After Treatment

Black Tee Box 11 - 1 Week Apart After Treatment

GREENS TALK

Another measure taking place is re-turfing, which is an essential process to maintain playable greens. During this process, our maintenance crew remove bared-out areas and replace them with new grass and allows the golfers to enjoy smooth and firm surfaces when they play.

Re-turfing also plays a crucial role in controlling pests and preventing soil erosion during wet weather as the roots penetrate and hold onto the soil, trapping essential nutrients.

All-Out Turf War

At Tee Box 11, the maintenance team identified an Armyworm infestation and swiftly rolled out their maintenance routine. Pesticides were applied, followed by a progressive re-turfing of each tee box.

With careful and consistent treatment, the efforts are beginning to bear fruit with more healthy-looking turf.

GOLF TIPS

ADAPTED FROM GOLF DIGEST

QUICK TIPS FOR HITTING ONE OF GOLF'S TOUGHEST BUNKER SHOTS

BY MARIO GUERRA

Of all the tough lies you can get in a greenside bunker, perhaps the worst is when your ball comes to rest so close to the edge, you can't stand with both feet in the sand. It's a tough shot, but not impossible.

First, take a deep breath. Stand over the ball feeling confident. There's no reason you can't look like a tour pro and execute a good shot from this lie. Next, as you contemplate the shot, remember these two words that start with "s"—stable and short.

You've got to do whatever you can to take a stance that keeps your body stable as you attempt the shot. Also, make a short backswing. I wouldn't take the club any farther back than when your lead arm is parallel to the ground, because if you lose your balance trying to make a longer swing, you're dead.

As far as technique, make sure the club strikes the sand about an inch or two behind the ball. Being so close to the edge, you'll probably have to grip down on the club and make a steeper downswing, so open the face of the club at address and try to finish the swing. You need to do both to get some height on the shot so it carries over the edge. Stable body, short backswing. You got this.

GOLF TIPS

ADAPTED FROM
GOLF DIGEST

QUICK TIPS FOR HITTING ONE OF GOLF'S TOUGHEST BUNKER SHOTS

BY MICHAEL BREED

Golfers are commonly told to lock everything down and just rock their shoulders when they putt. The problem? Freezing any part of the body causes tension, which destroys feel.

Let's focus on the head. When you try to keep it still, you create tension in your neck and upper body, and your shoulders don't work properly. The result: You flick at the ball with your hands and arms, which is wildly inconsistent.

To add fluidity to your putting stroke, you need some fluidity in your body, particularly your head. Besides very short strokes, it's OK to let your head move fractionally away from the target from setup (above) to follow-through (below). That freedom keeps the putter head moving down the line with the face staying square. You'll hit a lot of great putts that way.

LOCAL FEST

BRINGING A COMMUNITY TOGETHER

Family and friends gathered together to share a night of fun and laughter under the stars during the Local Fest 2023, as they ate good food and were serenaded by live music at our Viewing Deck. There was a delicious buffet spread - courtesy of our F&B partner, Red Lantern Restaurant, along with live Popiah and Mee Siam stations for attendees to feast on. It was all smiles and full bellies throughout! The night ended with a lucky draw contest, as the winners walked away with various prizes!

The Local Fest is one of the Dining at the Deck events in our Club that celebrates good food with the company of family and friends. Under a starry ambience, it is the perfect opportunity to make lasting memories over a hearty meal.

GOTONG ROYONG

Gotong Royong, which translates to 'cooperation in a community', involves the spirit of volunteerism, and working together to benefit the residents living in the same community.

To keep the tradition alive, we organized this event to cultivate a sense of belonging and community among our golfers. A group of members volunteered and joined us on 19 June 2023 to help with repairing pitch marks, filling divots, and removing weeds at Hole 17.

Their efforts made a positive impact on the damaged greens and improved their quality. We hope to continue organizing such events and foster a sense of communal spirit between golfers.

JUNIOR GOLF INTRODUCTORY CLINIC

A new batch of junior golfers had a lot of fun learning and trying out the different golf clubs during an introductory clinic held on 29 May 2023, organized by SingaGolf Academy. They were able to try both swinging and putting at the driving range and putting green, allowing them to make the most out of the session.

Getting them exposed to golf early seeks to cultivate their interest in the game.

We hope to continue nurturing and attracting more young juniors to try out golfing!

NATIONAL DAY GOLF Gotong Royong

Saturday, 5th August 2023

Format: 4 Ball - Best Ball

Gotong Royong followed by Shotgun

AWARDS & BOUQUETS

NG WAN ZHAO

Human Resources Officer

Ms Ng has been presented with the Individual Staff Excellence Award for her unwavering dedication and responsibility as an HR Officer. Furthermore, during the last quarter, she actively supported our club's transport outsourcing project and also successfully organized a staff lunch.

CHEW TIE LIANG

Facilities Assistant

Mr Chew has been presented with the Individual Staff Excellence Award for his exceptional dedication and hard work in the daily operations of the driving range, showcasing remarkable reliability and commitment even at his age.

COMPLIMENTS

Angel had helped me and my guest on several occasions; she picked up my forgotten phone, my forgotten shower cream and even dropped cash from my careless guest while tending her duties. (Angel is) very honest and observant. Thank you again!

by Kay Yak, 14 May 2023

Thankful to Jeslina for her prompt follow up after I reported a lost item. She managed to locate it and informed me within a short time. Well done Jeslina and to the team at SCC for your excellent service. Keep up the great work.

by Chow Wai Yein, 16 June 2023

I would like to thank Vijay for helping me find my phone and keep it safe as I had left it in the changing room and was only aware (of it) midway through my golf game. Vijay had always been polite and courteous to the visitors and guests of SCC.

by Lim Wei Da, 16 June 2023
