FOUR TREASURES BAKED MOONCAKE

烘焙四宝月饼

A signature set of four traditional baked mooncake creations, featuring the classic double and single yolks cradled in smooth and velvety white lotus paste, rich and nutty black sesame with chewy mochi, and a luscious blend of lychee and longan.

TWO TREASURES BAKED MOONCAKE

烘焙双宝月饼

Perfect as a gift, this pair of black sesame with mochi and the classic white lotus paste with a single yolk is sure to delight.

Tailored to the height of a wine bottle,
the four-tier mooncake box can be
used as a stylish wine carrier.

A novel design for the occasion, the
two-tier box serves as a lantern that
can hold a LED tea light candle.

Adorned with the timelessness
and understated elegance of celadon green,
and with wooden panels inspired by Singapore's
Peranakan shophouses, the mooncakes are
encased in intricately designed boxes that can be
upcycled as wine holder, lantern,
whilst its chest of drawers can be repurposed as
keepsake boxes for trinkets and accessories.
